

Video NOC Management, Bharti Airtel

NOC Management

Customer Situation

- Bharti Airtel Limited has setup Video NOC at Noida, UP from where almost 30 channels are being uplinked to the various satellites
- Commedia had to provide skilled manpower for the day to day teleport operation services for this NOC

Challenges

- Dealing with current Live Video Network.
- Handling day to day operations at the Head end.

Actions Taken

- Commedia's skilled engineers handle the regular teleport services for uplinking & downlinking of the channels for the teleport
- Commedia manages the playout services for regional channels & the seed management services for a popular sports channel in India
- Commedia skilled & technical personnel ensure seamless & around the clock service support for the smooth functioning of the teleport

Results and Benefits

- Successful management of the NOC
- Skilled man power to handle the operations.
